WHEREAS, Owners of unimproved Lots have not consistently maintained their Lots as required by Article VIII, Section 2 of the Declaration, resulting in an unsightly and unattractive appearance to the Community; and

WHEREAS, Developer desires to provide for the Association to consistently and adequately maintain unimproved Lots by the Association, at the expense of such Lot Owners, for the benefit of all Owners.

NOW, THEREFORE, Developer hereby amends the Declaration in the following respects and declares that all of the Property shall be held, sold and conveyed subject to the terms and conditions of the Declaration, as amended hereby:

1. Maintenance. The text of Article VIII, Section 2 of the Declaration is deleted in its entirety and replaced with the following:

Once a Lot has been sold by Developer, each Owner, at his or her expense, shall be responsible to maintain in good order and keep in an attractive condition, free from overgrowth, weeds and rubbish, and in accordance with Hernando and/or City of Brooksville regulations as well as the Regulations, all portions of his or her Lot and any improvements located thereon, from time to time. As to Lots on which vertical improvements have not yet been constructed or commenced (i.e., a vacant Lot), the Association shall cause each such vacant Lot to be bush hogged at least twice per year, and otherwise as deemed necessary by the Board to keep such Lots, free from overgrowth and weeds and other noxious growth, until the time that construction of improvements on such Lot commences. Once construction of improvements has commenced on a Lot, and during all periods of construction on such Lot, the Lot shall be kept in a neat and orderly condition by the Owner with construction debris and trash being confined in containers or trash enclosures.

Owners of Lots abutting or adjacent to lakes within the Property shall keep the shoreline of the lake free of litter and debris and shall maintain and irrigate the lawn and landscaping to the waterline of the lake whether such area is included within or outside of the boundary of such Lot. Each Owner of a Lot on which improvements have been constructed shall maintain the lawn and other landscaped areas located in the public right-of-way or Common Areas, if any, between such Owner's property line and the paved portion of the street in a neat and attractive condition. Landscape maintenance shall include regular lawn mowing, fertilizing, pest control, irrigation and edging. Owners of Lots who are in violation of any portion of this provision shall be required to pay to the Association any and all charges incurred by the Association to maintain such Lots. The costs incurred by the Association for mowing, bush hogging, clearing and/or otherwise maintaining any Lot and for the removal of any debris or rubbish together with interest, costs of suit and reasonable attorneys' fees for the collection thereof, shall be a continuing lien upon the Lot and shall also be the personal obligation of the Owner of the Lot at the time such costs were incurred.

2. Specific Assessments. The text of Article VII, Section 13 of the Declaration is deleted in its entirety and replaced with the following:

Any indebtedness of an Owner to the Association arising under any provision of the Legal Documents, including any indemnity, or by contract express or implied, or because of any act or omission of the Owner or any occupant of such Owner's Lot, or arising by reason of any Owner's failure to properly maintain his or her Lot and Unit as provided in this Declaration may be assessed by the Association against the Owner's Lot after the Owner fails to pay it when due and the default continues for thirty (30) days after written notice. In addition, the Association shall assess against each Owner of a

- 3. Capitalized Terms; Effect of Amendment. Any capitalized terms used in this Amendment, which are not defined herein, shall have the meanings ascribed to them in the Declaration.
